

DESIGN-BUILD FOR WATER/WASTEWATER & TRANSPORTATION/ A V I A T I O N CONFERENCE 2022

April 4-6, 2022 // Water/Wastewater

April 6-8, 2022 // Transportation/Aviation

Sponsor and Exhibitor Prospectus

The Nation's *Only* Design-Build Sector Conferences

Design-Build Infrastructure Opportunities are Historic

DBIA Helps You Make Vital Industry & Owner Connections

The passage of the largest infrastructure investment package in decades means Owners are looking for qualified design-build teams to deliver the nation's most innovative, cost, and time-efficient projects possible. DBIA is committed to help our industry prepare for the future. Our April sector-specific conferences couldn't come at a better time to help teams connect with the experts they'll need.

The 2022 Design-Build for Water/Wastewater and Transportation/Aviation Conferences provide unparalleled access to decision-makers, team members, and hundreds of public and private Owners. Our conference attendees know they can meet prospective team members with a broad range of expertise among our exhibitors and sponsors. That's one of the many reasons thousands come to DBIA conferences. We're here to help you make those connections in this historic time for our industry.

Your Time is Valuable – We'll Make the Most of It

Build your Team: Network with all members of the project team, including general contractors, designers, engineers, MEPs, attorneys, and finance professionals.

Meet Industry: Our attendees represent all members of a design-build team. Meet with those who have the power to make instant decisions.

Meet Owners: Owners, including key officials from local, state, and federal agencies, attend DBIA events and build relationships here that last.

Earn CEUs: All packages include free full conference passes so that team members can attend the educational sessions and earn credit hours.

Double Conference Savings

If you sponsor and/or exhibit in both DBIA's 2022 Water/Wastewater and Transportation/Aviation Conferences, you can take 20% off your sponsor/exhibit package for each event.

That discount is applied when the selection to purchase booths/sponsorships for both events is made simultaneously.

Thank you to our event co-sponsors
