**DESIGN-BUILD
FOR WATER/
WASTEWATER
CONFERENCE 2019**

Exhibitor & Sponsor Prospectus

Join Us at the Nation's #1 Design-Build Conference for Water/Wastewater

Design-build is the fastest growing and most popular delivery method in the nation. Exciting new market research reports nearly half of our nation's construction spending will be design-build. The 2019 Design-Build for Water/Wastewater Conference is the event for design-builders in the water sector, providing unparalleled access to decision-makers, team members and hundreds of public and private owners. Join the movement and be a part of this exciting time in our industry's history as design-build changes the way America builds.

Why Exhibit?

Build Your Next Design-Build Team. Network with all members of project teams including general contractors, designers, engineers, MEPs, attorneys and finance professionals.

Meet Industry. Our attendees are mid-to-upper-level management including CEOs, COOs and Vice Presidents. Meet with leaders who have the power to make instant decisions.

Meet Owners. Owner attendance is growing rapidly including: Utilities, Cities, Counties, Municipal Water Districts, Water and Sewer Departments, Waste Treatment Plant and Facility Owners, Developers, and Financiers.

Earn CEUs. All packages include one free full conference pass so that a member of your team can attend educational sessions and earn credit hours (additional passes available for a fee).

30% growth
in design-build transportation and water/wastewater sectors

Owner attendance
Nearly doubled in 2018
compared to 2017

Exhibit Only Packages

Includes one full conference registration plus two booth personnel badges per 100 square feet.
